HAPPY HOLIDAYS

This year has been very trying in some ways, but it also has been a wonderful year in many others. Let's take just a moment to reflect .

It has been our good fortune to get lots of road work accomplished, purchase new security cameras and have a tremendous number of new homeowners move into the area. Our fire department is continuing to be trained and keep up-to-date with new equipment and health procedures. The Auxiliary has always been ready and willing to serve when called upon many times this year. We also want to mention that we have had assessments paid on 89% of our properties this past year. This is great.

Most of these things would not have happened if it were not for you, the homeowners in Arrowhead Estates who show consideration and caring for others. You have made our job easier.

A very heart-felt "Thank You" is extended to so many of you who have gone above and beyond to help others in so many different ways, and we offer genuine wishes for an even better, more amazing 2015 together. Let's keep those in need in our hearts, minds, and prayers especially during this Season of the year.

Your Trustees would like to wish each and every one of you a MERRY CHRISTMAS as well as a very HAPPY NEW YEAR.

WINTER PREPAREDNESS

As we all noticed this past week, winter is here. Are you ready?

- *Make a 'winter place' for your pets.
- *Don't forget to have your car winterized.
- *Keep cell phones fully charged in case of loss of power.
- *Batteries for your flashlights are also important.
