ROAD WORK BEGINS

On July 22, the County was able to begin phase one of our much-needed roadwork. If your road was “missed”, don’t worry, we will hope to address it on the next trip.

Their goal this time was to properly fill the “pot” holes on the main and heavily traveled roads. We had some “pot” holes that really needed to be addressed. The County Road Crew is currently working on a minimum of a month long project. They drove out here on Monday to assess our situation and decided that they could pull a crew in on Tuesday only to help us out for now. This trip alone was around a whopping \$13,000.

Before the end of August, they hope to be able to come back and finish the work needed on the majority of our roads. They should be here about 3 or 4 days next time. If your road needs worked on, please let us know just to make sure that we have it on the list. There is a lot of area to cover and we want to try our best to address as many areas as “money” will allow.

JULY 4TH PARADE

We had a great turnout for our AEVFD Independence Day parade this year. There were almost 30 entries, with 6 units in one. First place was taken by Clay Scott, second place went to The Duvall’s, and third place was won by The Nall’s. Thanks to the Tiki Hut for their donation of prizes.

Of course, we were again honoring our Veteran’s. This year we had the pleasure of our first “4-legged” veteran in attendance—Spaulding—a Chocolate Lab from the Afghan Wars, who was trained to locate bombs.

Everyone enjoyed plenty of hot dogs, chips, cold drinks, a cake walk and an outdoor blowup for the little ones to play in. If you missed out this year, keep us in mind for next year and try to attend. It’s free & lots of fun!

AUXILIARY BREAKFAST

Every year, many people look forward to the annual pancake breakfast. Well, the date has been set this year for Saturday, August 30th, if they can get extra volunteers. The menu will be pancakes, sausage, ham, eggs, biscuits and gravy. Now that is a breakfast! The cost is only \$6.00 for adults and \$3.00 for kids under 12. Where can you get all that food for that price? The money is to help purchase 2 new refrigerators for our fire department. Watch the board for a reminder of the date and time.

SECURITY CAMERAS ORDERED

Everyone will be happy to know that the new security cameras have been ordered and installation will not be far off. With all our recent break-ins, we’re sure everyone feels that it can’t happen soon enough.

You can help by doing your part. Please consider motion lights on your property, installing “game” cameras in areas around your property, keeping your grass mowed, and anything else you can think of to help.

The Sheriff’s office made three trips out here in one day just recently. Call them if there’s a problem. They are driving around nightly in unmarked vehicles as are several homeowners helping out with “late” night driving.

--NOTES--

*Office will be closed first week of August

*Auxiliary meeting, August 21st

*Check out our Web Site for Parade pictures

*We still need volunteers for, painting road signs, neighborhood watch, cleaning entrance bar ditches, etc. Whatever you can do!
