COMMUNITY AUXILIARY NEWS

Newly elected officers was just one order of business at the most recent Auxiliary meeting. The officers elected were Mary Marrs, President, Larry Womack, Vice-President and Renee Hicks, Secretary-Treasurer.

The Community Auxiliary Garage Sale was set from 7:30–3:30 on Friday, May 2nd, and from 7:30–1:00 on Saturday, May 3rd. Volunteers are needed beginning on Wednesday and Thursday prior to the sale. Please notify one of the officers if you are willing to help them in some way.

Anyone needing furniture, appliances, or other items picked up for donation for the garage sale can either notify the office or one of the officers or take them to Fire Station #2 no later than May 1st.

Members voted not to have the Easter Egg hunt.

They voted to have the annual Pancake Breakfast sometime around Memorial Day.

LOOK AROUND YOU!

Do you need a free place to dump the trash on your lot or in your yard? We are providing dumpsters for owners in Arrowhead Estates to assist you in cleaning your lots. These dumpsters will be arriving by May 2nd and will be here for approximately 2 weeks. They will be located in the area of Fire Station #2.

PLEASE do not place any lumber or tree limbs in these dumpsters as they should be burned on your own property. Car batteries can be placed by the building on the ground and any metal may be placed on the metal trailer. Please make every effort to place other items inside the dumpsters.

Let's take this opportunity to get a jump on Spring cleaning for our area.

IMPORTANT OWNERS MEETING

QUORUM NEEDED! This is first and foremost for the upcoming property owners meeting scheduled for April 12, 9:00 a.m. at Fire Station #1. Without a quorum of 125 lot owners we will be unable to conduct any business.

One of the first things you as owners need to do is to formally elect an Election Committee. After that election, you need to formally elect two Trustees.

Even though two Trustees have recently been appointed, Jenny Scoggins, for a 3-year term and more recently Vicque Farris for a 2-year term, they both need to be elected by the homeowners or others need to be nominated for the same positions.

There are many items to be discussed on the agenda, such as, financial reports, road repairs, street signs, and break-ins just to name a few. Please make every attempt to attend.

BREAK-INS

The office has been notified of three more break-ins in the last month. We assure you the police department has been notified of our problems and have recently been sending unmarked cars into the area.

With the help of some alert homeowners, extra property lighting and some additional neighborhood watch volunteers, we hope to have these break-ins reduced or even brought to an end.

NOTES

--- Most recently we had a dog run over and killed by a speeding homeowner. The speeding is getting worse as is the running of the stop signs in our area. Please try to obey the driving rules.
--- Homeowners know that dogs are to be kept on a leash, but some feel that we all need to be more observant.
